

GAME 03

Would You Rather

Pick a side and defend it

PLAYERS

3+ players

TIME

15 to 30 minutes

YOU NEED

The cut-out question cards

HOW TO PLAY

- 1 Shuffle the cards and place them face down.
- 2 On your turn, draw a card and read both options aloud.
- 3 Everyone chooses: hands up for the first option, hands down for the second.
- 4 Want points? Before the vote, the reader predicts which side wins. A correct call scores 1 point. Then pass the deck to the left.

HOST TIP

Ask one person from the smaller side to argue their case. It is the best part.
